

Please note that all meetings of Crowthorne Parish Council and the Trusts it manages and administers are suspended with effect from 20 March 2020, as is the monthly council surgery, due to measures implemented by the Parish Council and central Government to prevent the spread of Coronavirus.

The minutes from the Extraordinary meeting of Crowthorne Parish Council on 20 March 2020 will be published online as soon as they are ready. The High Consequence Infectious Disease Policy (HCID) adopted and implemented with immediate effect at the Extraordinary meeting, is available on the Parish Council website and should be read in conjunction with Crowthorne Parish Council's Standing Orders and Financial Regulations which were adopted in May 2019. Where there is any inconsistency between the Standing Orders/Financial Regulations and HCID policy, the HCID policy will prevail. This document states how the Parish Council intends to continue to operate over the coming weeks and months.

Crowthorne Parish Council will seek to continue to operate in a transparent manner with financial transactions posted once a month on the CPC website, subject to our staff being well enough to collate this information and post it online.

The Parish Council underwent an internal finance audit with a suitably qualified auditor (Claire Connell), who is external to the Council, within the past month. Mrs Connell has confirmed that all CPC business and operations have been carried out correctly and in a
